GROUP LEADER - JACQUI TOWNSLEY

Next meeting Wednesday 11th October at 7.30 pm, Hillsborough Village Centre
Our new programme is now underway and we will be pleased to welcome new members to the group. We meet on the
2nd Wednesday of each month at 7.30 pm in Hillsborough Village Centre.

BOOK GROUP 1

GROUP LEADER- HILARY PRESTON

We met on 7th September in a members home to discuss 'This is Happiness' by Niall Williams. The book is set in Ireland in the 1950's in a remote part of County Clare. The story is set around the arrival of electricity to the village. However this is just a vehicle to describe characters, their problems, and their relationships. We all enjoyed the book, felt it was not too paddy Irish. We all recognised the way of life of old Ireland and for many of the group the stories reminded them of their grandparents. We all said that we would read another book by this author.

Next month we will be discussing 'The People on Platform 5' by Clare Pooley

BOOK GROUP 2

GROUP LEADER - JOAN BRYSON

Our October meeting is on Tues 31st at 10.30pm when our book is Nobel Prize winning author Pearl S. Buck's 'The Good Earth' (pub.1931). As China looms ever larger in world affairs we revisit this classic about family life and struggles in an early 20th century Chinese village as fortunes wax and wane as there are many natural and man made tribulations to face. Buck, the daughter of American missionaries, spent most of her early life in China and draws on her extensive knowledge of its language, culture and society.

CASTING THE RUNES: TWO GHOST STORIES - Lyric Theatre, Belfast, Saturday 18th November at 3.00 pm

Montague Rhodes James [1862 – 1936] wrote his ghost stories to perform to friends in the years leading up to WW1. Today they have lost nothing of their power to terrify and amuse. Nunkie Theatre Company returns with two more of James's very best, in another thrilling one-man show. In Casting the Runes we meet the unforgettable 'Abbot of Lufford,' Mr. Karswell – magic lanternist, historian of the occult, and scourge of the academic establishment. The story is perhaps best known for being the source for the classic 1950s horror film 'Night of the Demon.' It is partnered here by one of James's most neglected masterpieces: The Residence at Whitminster in which a dark shadow is cast over the precinct of a peaceful English church...

TECHNOLOGY GROUP

My apologies to all those who have waited patiently for the Windows 10 course to start. This summer has been very busy and I have not had time to prepare material for this course. However I hope to run this course very soon, hopefully before the end of this year. The course will take four to six weeks, depending on the number of windows topics covered. The location will be the Laganview Enterprise Centre and the cost will be a single payment of £3 per person to cover the cost of paper and ink. A laptop with windows 10 installed will be required for this course. I will also arrange another Smartphone "Introduction to Mobile Phones" course to be run by Ali Harrison who took two phone courses earlier this year. The cost of this will be £13 per person and will also be held at the Laganview Enterprise Centre. Anybody interested in either of these two courses please email me at rayfillmore@gmail.com

Please specify WHICH of the courses you wish to attend. Also please let me know which mornings of the week - Mondays to Fridays you would be available. {Between 10am & 12pm} The Windows 10 course will be take place on the morning suited to the majority of people. (Subject to room availability) The mobile phone course will be subject to the availability of Ali Harrison. I suggest that people who did not attend the "Introduction to Technology" course which took place earlier this year should consider whether they have sufficient basic technology knowledge to attend the Windows10 course. You will need to have an understanding of general technology terms; common file extensions; file management and basic directory structure.
