

Lisburn U3A Colour Supplement

Out and About - March 2025

As you may already know, Cynthia has decided to step back from her role producing the monthly photo supplement, and the baton has been passed over to me.

On behalf of all the Lisburn U3A members I would like to thank Cynthia for her dedication in showcasing the Lisburn U3A activities over the past number of years.

As I am new to this role it would be helpful if members could provide some details when submitting their photographs (name, location, event etc). I look forward to seeing your photographs, please send them to:

photosupplement@lisburnu3a.org

Many thanks Darrell
