Out and About - June 2025

Golfers enjoy the good weather in April at Edenmore

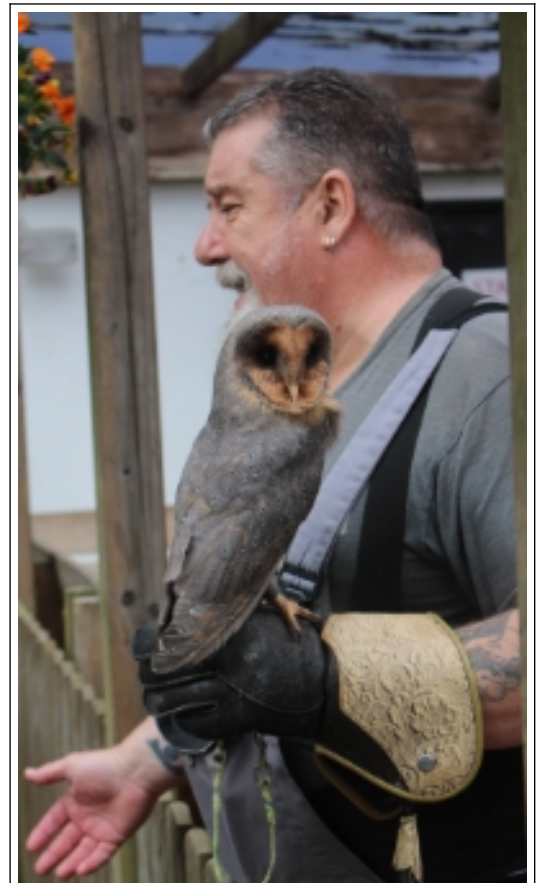

Saturday Ramblers walk along
the Quoile River

Let's Go visit the World of Owls
near Randalstown

With wild fires in the Mournes, the advice was to avoid the area.
So the Scramblers headed to Slieve Gullion

With a perfect view of the Mournes,
the Garden group visit a garden near Seaforde

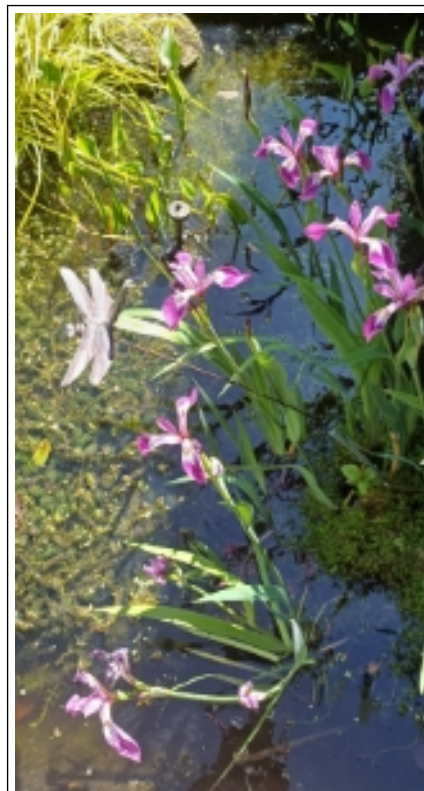

The Ramblers started May with a walk at Castlewellan

Escaping the maze, they also enjoyed rambles in Bessbrook and Delamont

The nice Spring weather certainly brought the gardens into bloom
